

## PCC Music Program

The PCC music program is housed in the Center for the Arts, a state-of-the-art facility, at West Campus. The program provides extensive experience and training in all aspects of classical and popular music including classes in theory, history, piano, guitar, studio instruction, music industry and electronic music, consistent with the first two years of a bachelor's degree in music. Students can earn an Associate of Fine Arts degree with a concentration in music that can transfer to a bachelor's degree in music performance, history, theory and education. Facilities include a state-of-the-art MIDI laboratory and electronic piano laboratory, practice rooms, large ensemble rehearsal rooms, the 75 plus-seat Recital Hall and the 425-seat Proscenium Theatre. Major performing ensembles include Wind Ensemble, Orchestra, Jazz Ensemble, Chorale, College Singers and Opera/Musical Theatre. The PCC music program has a reputation for quality instruction and caring instructors.

*+faculty member*

**Mark Holdaway**, a former radio astronomer, is studying music at Pima as a prerequisite to becoming a music therapist. Mark invented a simple, expressive tablature system for the kalimba (African thumb piano), and has written over three dozen instructional books and downloads for different types of kalimbas.

No photography or video recording allowed.  
As a courtesy to the performers and other patrons please turn off all electronic/digital devices and refrain from text messaging.
