

PCC Music Program

The PCC music program is housed in the Center for the Arts, a state-of-the-art facility, at West Campus. The program provides extensive experience and training in all aspects of classical and popular music including classes in theory, history, piano, guitar, studio instruction, music industry and electronic music, consistent with the first two years of a bachelor's degree in music. Students can earn an Associate of Fine Arts degree with a concentration in music that can transfer to a bachelor's degree in music performance, history, theory and education. Facilities include a state-of-the-art MIDI laboratory and electronic piano laboratory, practice rooms, large ensemble rehearsal rooms, the 75 plus-seat Recital Hall and the 425-seat Proscenium Theatre.
